TITLE 26. HUMAN SERVICES CODE
ARTICLE 18. FAMILY RESOURCE CENTER PROGRAM

C.R.S. 26-18-101 (2013)

26-18-101. Legislative declaration

(1) The general assembly hereby declares that Colorado needs healthy and cohesive families at all income levels in order for the state to be economically viable. A number of families in communities throughout Colorado temporarily may not have access to the basic necessities of life or to resources or services designed to promote individual development and family growth.

(2) The general assembly further declares that many of Colorado's vulnerable families, individuals, children, and youth do not necessarily live in at-risk neighborhoods. Such persons may not have appropriate resources or sufficient income for adequate housing, health care, or child care because the primary wage earners are unemployed, underemployed, or work at jobs that pay minimum wage or less. Further, many such persons not only live in poverty, but also experience divorce, domestic violence, or are single parents. Children and youth who are raised in vulnerable families experience an increased risk of being abused, being illiterate, being undereducated, dropping out of school, becoming teen parents, abusing drugs, and engaging in at-risk behaviors, including but not limited to criminal activities. Such children and youth are often influenced by and are likely to repeat behaviors that began with their parents.

(3) Therefore, the general assembly finds that it is appropriate to establish a program to provide family resource centers in communities to serve as a single point of entry for providing comprehensive, intensive, integrated, and collaborative state and community-based services to vulnerable families, individuals, children, and youth.

C.R.S. 26-18-104 (2013)

26-18-104. Program created

(1) (a) There is established in the prevention services division in the department of public health and environment a family resource center program. The purposes of the program are to provide grants to community applicants for the creation of family resource centers or to provide grants to family resource centers for the continued operation of the centers through which services for vulnerable families, individuals, children, and youth who live in communities or in at-risk neighborhoods are accessible and coordinated through a single point of entry.

(a.5) On July 1, 2013, the family resource center program is transferred to the department of human services. All program grants in existence as of July 1, 2013, shall continue to be valid through June 30, 2015, and may be continued after said date.

(b) The state department shall operate the family resource center program in accordance with the provisions of this article. In addition, the state department may establish any other procedures necessary to implement the program, including establishing the procedure for submitting grant applications by community applicants seeking to establish a family resource center or by a family resource center applying for a grant for continued operation of a family resource center.

(III) The state department may accept and expend any grants from any public or private source for the purpose of making grants to community applicants for the establishment or continued operation of family resource centers and for the purpose of evaluating the effectiveness of the family resource center program. (II) A commitment of resources as available and necessary to meet the family's plan;

(III) The delivery of applicable services to the individual or family, if feasible, or referral to an appropriate service provider;

(IV) The coordination of services;

(V) The monitoring of the progress of the family toward greater self-reliance or self-sufficiency and an evaluation of services provided; and

(VI) Assistance to the individual or family in applying for the children's basic health plan, medical assistance benefits, or other benefits.

(c) In addition to services required by paragraph (b) of this subsection (2), the family resource center may provide for the direct delivery of or referral to a provider of the following six services:

(I) Early childhood care and education, including programs that contribute to school readiness;

(II) Family support and parent education;

(III) Well child check-ups and basic health services;

(IV) Early intervention for identifying infants, toddlers, and preschoolers who are developmentally disabled in order to provide necessary services to such children;

(V) Before and after school care;

(VI) Programs for children and youth.

(d) A family resource center may also provide services, including, but not limited to, the following:

(I) Additional educational programs, such as mentoring programs for students in elementary, junior, and senior high schools; adult education and family literacy programs; and educational programs that link families with local schools and alternative educational programs, including links with boards of cooperative services;

(II) Job skills training and self-sufficiency programs for adults and youth;

(III) Social, health, mental health, and child welfare services and housing, homeless, food and nutrition, domestic violence support, recreation, and substance abuse services;

(IV) Outreach, education, and support programs, including programs aimed at preventing teen pregnancies and school dropouts and programs providing parent support and advocacy;

(V) Transportation services to obtain other services provided pursuant to this subsection (2).
