

23rd February 2012

Reference for Jon Lyddon:

Jon is a rare breed of designer that can successfully fuse creativity with technical know-how. His vast skill-set and knowledge mean that he knows exactly what is required to complete a project smoothly. He has never failed to meet any deadline or timescale I have ever set and they can often quite unrealistic. His friendly and patient approach to work even when under pressure makes him a pleasure to work with.
