

Dear **[INSERT CLIENT NAME]**,

At **[your spa's name here]**, I am committed to your skin's health and well-being. Although we are physically distant at this time, I want you to know that I am here for you to help you achieve your skin care goals.

When can you meet for a virtual consultation? I would enjoy speaking with you via a **[FaceTime, Skype, or other video/phone web platform]** meeting. I am happy to make product and home care recommendations to help keep your skin health on track.

I would also like to tell you about incredible skin care packages available to be shipped straight to your doorstep.

Some of the options include:

An at-home microcurrent device, the Clareblend MINI, which is easy to use for lifting and toning the appearance of your skin. It also helps to diminish fine lines and wrinkles while restoring your youthful glow!

I enjoy pairing this device with Viktoria DéAnn serums for optimal skin health. Purchase a Viktoria DéAnn Lift Kit and receive a free Pepti Lash XL, which provides support, conditioning, and nutrients to help your lashes appear longer, fuller, and more luxurious!

I'll call you soon. In the meantime, feel free to contact me at **[PHONE]**, **[EMAIL]**, or on social media **[@instagram / @facebook / other]**.

Best wishes for your health and happiness,

[AWESOME ESTHETICIAN NAME]
