“CRIME OF THE WEEK”

March 29, 2017

This is Trooper Patrick Rice with the Colorado State Patrol. This week we are partnering with Crime Stoppers to crack down on chronic drunk and drugged drivers.

Driving impaired creates a substantial risk to our community. Most impaired drivers that cause serious injury or fatal accidents had driven impaired dozens of times before.

If you know a chronic DUI or DUID driver, please contact Crime Stoppers at 241-7867 and provide the driver's name, a vehicle description, and when and where we might catch them driving impaired. Information reported to Crime Stoppers that leads to an arrest can earn you up to \$1,000 cash reward and you will remain completely anonymous.

Together we can save lives and keep Mesa County safe from impaired driving and start the offender down a path of recovery. For more information, see us at www.241stop.com.
