Vacant Property Checks

Equazion Limited is now offering a Vacant Property Check service to all new, existing and future clients.

The purpose of this service is to keep your vacant buildings in A1 condition and to make them more appealing to future tenants.

The service covers but is not limited to the items listed below:

- A check to see that you are complying with your current insurance policy requirements
- A Fire risk assessment
- A Security assessment
- A Health & Safety risk assessment
- A Structural check of all the building
- Removal of Hazardous items
- Removal of any items that may encourage break-in's
- Cut off of all major services (Excluding essential services for Fire and Security)

We also offer a follow up service, whereby on a monthly or quarterly basis. Equazion Limited will visit the building/s and do a full inspection. Also Equazion Limited will carry out checks on the Fire & Security systems to make sure that they are fully functioning.

This service is being pushed by Equazion Limited due to the growing demand for a service such as this. This service will also deter dangers such as Fire, Squatting, Vandalism & Building deterioration.

It will also help you keep your building insurance policy valid. Therefore reducing cost as your business will not have to make changes to your insurance policy.
