We try our very best to get the best deal together even when using specialist outside sub-contractors.

We trust that you find the above of some interest and would add that we currently carry five million pounds of Public Liability Insurance.

All of our works are carried out within the confines of the relevant regulations and/or acts, such as Health & Safety, or Electricity at Work regulations, and we have our own company Health & Safety statements and policies. We also adhere to the COSHH regulations where required to do so.

Should you require any further help or information then please do not hesitate to contact us either by writing to the above address or by telephone on 0118-986-6340 or Facsimile on 0845-869-3619.

Please feel free to pass on our details to your business partners.
