Greetings! We are so thankful that you are interested in more information regarding enrolling your student(s) at Ichthus Academy (IA). We specialize in Bible-based academics and electives for students of all abilities from developmental levels Kindergarten through 8th grade. Our main goal is to strengthen families who will impact the world for Jesus Christ. Because we are a homeschool cooperative, we require the full participation of at least one parent throughout the day. We operate under a private umbrella school, so in order to attend IA, students **may not** be enrolled in any other school. For the safety of all students, background checks are mandatory.

The membership enrollment process will take you through various steps:

- Withdrawal from current school (*if applicable*)
- Signing and returning Membership Application with all required paperwork and supporting documentation, which includes reading and accepting the Academy's Statement of Faith, Membership Policies, and Code of Conduct. If your application is accepted, you will be scheduled for:
- Attending a family meeting so that we can get to know each other and answer any questions you may have
- Undergoing background checks for each parent or guardian that will assist throughout the day
- Completing assessment testing for each student
- Obtaining workbooks and supplies for each student. You may choose to purchase the necessary workbooks and supplies on your own, or the book rates can be added to the monthly membership fees.
- Paying for at least one month of membership (*see below*)
- Attending IA Orientation. This will cover daily schedules, work and grading system, etc.

Once the above steps have been completed, you will receive a starting date.

Membership Rates – To be as fair as possible, our membership rates are based on a percentage of household income, and we are on the “honor system”. We request that each family contribute at least 5% of their total monthly household income (*per student*) as a membership fee to IA to cover overhead expenses, facility use, administration costs, etc. If you would like to assist further, additional contributions to the ministry can be made at any time by clicking “Donate” on our website, www.dontgiveupministries.com.

If you agree to all of these requirements, **please sign and return this form** to the mailing or email address above at your earliest convenience, and we will help you through the remaining steps of the process. All applications are “first come, first served”, and approved applicants may be placed on a waiting list. We reserve the right to accept or refuse any applications, and to dismiss students/families that do not fully comply with membership rules and regulations.

Agreement: As the student(s)' parent/legal guardian(s), we (I) would like to continue with the application process, and agree to comply with all Ichthus Academy membership enrollment procedures to the best of our (my) ability.
