Some have threatened to start forest fires to sow panic among the American people and cause distrust in our government. Millennium's Fire Inhibitor gives you the defensive weapons to defend your home from fire storms or an electric fire. Our Robin Hood Home Defense System protects your home and helps our firemen protect themselves. Let's "Make America Safe Again."

Millenniums National Builder & Realtor Program provides a discount rebate program to those that sell homes so they can be the first to defend there clients families and homes in case of a fire storm. Our Home Defense Kit and system comes in a Patio Cushion Storage Box in grey, white and brown with the tank and spray equipment and start up chemistry package.
