

Admission Procedures

Global Professional Consulting, Inc. accepts applications for fall semesters starting from May 15th until August 31st.

Those who wish to apply to TSMU should contact Global Professional Consulting at our website: www.globalconsultingedu.com

In order to enroll in the University, you must provide the following documents:

- BSN diploma (notarized)
- The official transcript
- RN-License
- 6 passport size photos (3x4 cm)
- Passport
- Birth certificate (notarized)
- Marriage certificate (if last name is different, please provide the certificate of change)
- \$200 registration fee

NOTE Documents mentioned above must either be originals or notarized copies

Education Process

1. Your course of study is based off of the University's curriculum posted on the website. This is a 2 year (4 semesters) program.
2. You may contact the teacher through email from your account on the university website. You may also exchange information with your instructor through email or Skype.
3. When a new semester begins you will be provided with a login and password to our web based email. There you will be able to communicate with your instructor and obtain any pertinent information relating to the course.
4. In order to contact your instructor through Skype, you will need to download the free Skype application and have an operable webcam and microphone.
5. Your coursework will include quizzes, research papers, multiple choice tests and final exams.
6. All of your grades and evaluations during the course of your study will be kept in an electronic database at the university as well as in journals the University has filed.
7. Upon the successful completion of your studies, you will receive a diploma and transcript in accordance with requirements of the Ministry of Education and Sciences of Ukraine.

Payment

1. The tuition payments will be carried out through the GPC at the beginning of each semester.
