

## Check List for Fumigation

\***Gas service** close and turn on orders can be scheduled by contacting the utilities at the following numbers. So Cal Gas (800) 427-2200 fax (909) 394-3824. The utilities require a minimum 24 hour notice unless the turn on is scheduled when placing the service closure order.

\***Remove all people** from the property to be fumigated. Remove vehicles from garage/carport.

\***Remove all interior/exterior plants** (potted or hanging) that are less than 2 feet from foundation whenever possible.

\***Remove all pets** (including fish and birds). Animals must be removed from the yard including cats.

\***Bag and remove ALL foods** and medicine not sealed in a glass or metal container. This includes anything that might be orally ingested, such as chewing gum. This includes food in freezers and refrigerators. In lieu of removal, these items may be placed in Nylofume bags that are secured with tape or clamps. In most cases, ChemFree Exterminating provides the special fume bags for your food free of charge.

\***Soak the soil with water** at least 12 inches from foundation outward. This can be done the evening before and may help to protect plant roots. Cut back plant growth where possible 12 to 18 inches away from exterior of building(s).

\***Turn off any air conditioning** unit, thermostat operated or other appliance. If any security alarms are to be left on, leave instructions on operations with a temporary code. Movement alarms must be off.

\***We must have access** to all areas within the structure including rooms or garages kept locked. Please make key arrangements before the day of fumigation. This is mandated by state law.

\***Remove antennas** prior to fumigation

**\*To ensure complete gas ventilation**, the fumigator may sometimes have to open your drawers, cabinet work, and/or closets. You may wish to do this prior to the fumigator's arrival.

\*Where gas refrigerators exist, the **occupant should allow for defrosting** to take place before the fumigation, as all gas will be turned off.

**\*Electricity must remain on** or job will be cancelled. These are general instructions for fumigation preparation. Prior to the fumigation you will be furnished with OCCUPANTS FUMIGATION NOTICE AND PESTICIDE DISCLOSURE, FUMIGATION NOTICE & DISCLAIMER, FACT SHEET FOR VIKANE (SULFURYLFLOURIDE), and ROOF AND/OR PLANT DISCLAIMER where applicable. These are forms that must be read and signed before the job has begun at your home or business.
