

# Makerspace

## JUMPSTART Application

in partnership with St. Edward's University

## Deadline: 8-2-2017

In order to foster innovation and creativity among our students, the AISD Science and Mathematics Teams, in partnership with Ward's Science and Wisconsin Bench Manufacturing, are donating a makerspace starter package to one campus. The package will include multiple pieces of furniture, two [Makerbot Replicator +](#) 3D printers, two Dell desktop computers, miscellaneous craft supplies, and – contingent upon the selected campus – either 10 [Raspberry Pie](#) kits or 1 [Littlebits STEAM Education Pack](#). Total package is valued at over \$15,000.

To be eligible, please complete this application form and return it in-person during the [AISD Science + Mathematics X Conference](#) in the model makerspace (room TBA). This application must be signed by three teachers and the campus principal. Teachers are strongly encouraged to attend workshops during the conference that demonstrate how to implement the products included in the package. A winner will be announced Thursday, August 3<sup>rd</sup>; at least one teacher listed on this form must be present to win.

### Principal's Acknowledgement and Consent:

#### Principal's Initials

|       |   |
|-------|---|
| _____ | The three teachers listed below and I are dedicated to the creation and operation of a campus makerspace.   |
| _____ | I understand that the campus is responsible for purchasing and restocking consumable materials and maintaining equipment.   |
| _____ | I accept that all donated materials are to be only used in the creation of a makerspace; tools, materials, and furniture are not to be divided up among teachers or classrooms. |
| _____ | I understand that teachers may need to attend additional professional development opportunities to maximize the use of a campus makerspace.                                     |
