Xtreme Tech has completed their search for a new motto and logo!

Sonal Starr has been selected as the top prize winner for both the motto and logo categories! Her "geared for technical growth and leadership" motto and coordinating logo are a great fit for Xtreme Tech.

The first runner up for the logo category is **Marcie Corral**, and second runner up is **Nathan Harrington**.

For the motto category, first runner up is **Bindu Nemarugommula**, and second runner up is **Steve Howard**.

The winners should send an email to Paul Demshur (pdemshur@us.ibm.com) to arrange to pickup their prizes.
