HOW TO HANDLE FIERY TRIALS

1. **Faith Releases more blessings into your life** according to your faith it will be done!
2. **Do not be consumed with trying to figure everything out.** Cultivate a trusting attitude of faith when you do not understand.
3. **Watch your thoughts and tongue** our thoughts follow our mind. Our tongues can reinforce the negative, so speak positive words knowing that He is in control. Learn to sin in the dark!
4. **Let go of unproductive Thinking about your problems** Do not keep asking "why God" or "when God." Remain still and listen. Learn to hear Gods voice and ask Him to *show you* Himself. He wants to reveal Himself to you.
5. **Don't listen to the devils lies** Listen to God's word instead. Learn the truth and it will set you free. Don't let lies become your reality.
6. **Meditate on God's Word and talk to Jesus about it** Let God speak to you as you meditate. Then pray with your eyes on God and not on your difficulties
7. **Talk yourself into faith and not anxiety** Do not talk yourself into a negative mood by rehearsing your problems apart from Gods promises. Learn to declare His promises from His word and your feelings will begin to change!
8. **Learn what Gods word says** study psalm 139
9. **Be confident that God is working** Even when you cannot see or feel His work. Know that God is for sure working in your life. Philippians 1:6
