

# **Finding the WILL OF GOD: DIVINE DIRECTION**

**WISDOM:** Might be defined today as knowledge. The ability to discern inner qualities and relationships, insight and judgement. Biblical wisdom, however, was described by the Hebrew word, CHAKMAH. It was more than common sense and was characterized by skill and craftsmanship, cleverness and prudence in everyday matters. Wisdom graced the lives of many biblical figures—Daniel, Ezra, Joshua—and brought them great success.
