

Keep MnISPI's Flame Going Strong!

Since 1977 MnISPI has brought light to our community with great networking and professional development. But we cannot continue without a talented Board of Directors. **Can *you* help keep the flame alive? No prior experience required — we will train you.**

Board service offers you opportunities to:

- Build your track record in leadership experience.
- Extend and deepen professional relationships.
- Create forums to pursue professional interests with others.
- Advocate for our profession and support our community:
 - Help those new to our field.
 - Help those in transition.
 - Help working professionals extend their knowledge and skills.

Open Positions:

Chapter President — provides direction for the Chapter and facilitates communication and organization.

President Elect — trains to assume presidency & helps facilitate direction, communication and organization.
